

Where can I find ... ?

Almost everything is in close proximity. From shopping and dining, to outdoors fun like fishing, beaches and nature.

The closest shopping area is in Bay City. Go on State Highway 35 East for about 12 Miles. You'll find HEB Groceries, WalMart, Radio Shack, RV Supplies and repair and other little stores as well as Antique Malls, Museums and Restaurants.

Palacios is the 'fishing headquarters' of the region. You'll find fishing harbors, unique restaurants (most with own boats) and be sure to try the world famous Matagorda Bay Oysters.
